Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on October 10, 2002 was filed after the mailing date of the final rejection on September 9, 2001. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner, with the exception of the documents cited thereon that are already of record, which documents are not included in the certification statement under 37 CFR 1.98(e). It is noted that as three separate IDS's were filed (9/23/02, 10/4/02, and 10/10/02), and that all of them contain the same references, and that the last one was the one with the correct certification statement per the attached interview summary, the last one is the only one being considered.

Conclusion

2. In order to reduce pendency and avoid potential delays, TC 3700 is encouraging FAXing of responses to Office Actions directly into the Group at (703) 872-9302 or, for responses after final rejection only, to (703) 872-9303. This practice may be used for filing papers not requiring a fee. It may also be used for filing papers which require a fee by applicants who authorize charges to a PTO deposit account. Please identify the examiner and art unit at the top of your cover sheet. Papers submitted via FAX into TC 3700 will be promptly forwarded to the examiner.
